- **Grants and Discount Guidelines for Camp Jabez**

**Grants may be available for youth for regular day camps (not horse camps).** Grants are based solely on donated funds for that purpose and are usually exhausted rather early in the season. The grant is based on HHS Poverty Guidelines found at: <http://aspe.hhs.gov/poverty/09poverty.shtml> . **A fifty percent discount** is offered at one per family if qualified according to guidelines and other camp requirements. Income verification is required.

**Hardship cases** may be considered for additional discounts if funds exist. These are only considered near the end of camp when we know if there will be available funds.

**An additional 10% off** of regular price may be available to low income (125% of poverty guidelines) families sending two or more youth.

**FYI:**

**Many children attend at no cost to the family** because someone else pays the cost. If the child attending comes under the poverty guidelines, the paying person would still receive the 50% discount if camp grant funds were available for the balance of the cost.
